Unique House T3 - Calheta

This property is immersed on the sea front cliffs facing the sea with stunning views of nature at its best in suburb of Calheta. Also known as the hottest part of the island.

Design that is dedicated to creating space for escapism. Every detail is carefully curated. Slow luxury like never before, lived through the lens of enlightenment. A search for peace.
Built using plenty of from sustainable wood, metal and recycled materials. Employs a fabric first approach to energy efficiency - wrapped in natural and recycled insulations to reduce energy demand before considering the potential of expensive ‘renewable’ energy systems.

Individual spaces with character. Open plan, designed around a spa experience for meditative tranquility. Every space is designed with thought, with purpose.
